# Nguyen Tuan Duc

**UX/UI Designer**, Hanoi, Vietnam

I'm a UI/UX Designer with a passion for creating delightful experiences through immersive and effective solutions. I'm seeking opportunities which will allow me to make a great impact to product, leverage my skillset, and challenge my creative abilities.

## EDUCATION

### Bachelor of Economics

Foreign Trade University of Vietnam

2011-2017

### Diploma of Multimedia

FPT Arena multimedia

2014-2015

## WORK EXPERIENCE

### UX/UI Designer - Freelance

Eggcellent Design

5/2017 - 12/2017

- Collaborated with team to conduct user research, create personas, user scenarios...
- Ideated and design key features and user flows of the product.
- Created low - high fidelity wireframes and early prototype.
- Designed visual UI for the final product, built design guide and created illustrations.
- Wrote documents that record working process from start to the end of the project.
- **Products:** Nhac.vn, FootballX, iCheck, Tratto, Medlatec Check-in...

### UX/UI Designer

DKT Technology

4/2016 - 4/2017

- Worked closely with marketing team and product team on web system project such as Bizweb.vn, Sieuweb.vn, Dktmedia.com.vn, Sapo.vn.
- Maintained and designed features and visual UI solutions base on research and data.

### Digital Graphics Designer

Mix Digital Agency

9/2015 - 3/2016

- Designed social visual content includes graphics image, digital painting, animation, video... throughout advertising campaigns.
- Collaborated with creative team and sale/account department to research customer insights then created art direction and content planning for entire campaigns.
- **Clients:** Bio Acimin, Greelux, TP Bank, PreIQ...

### Part-time Designer

Oxford English Vietnam, Vietvuong Group and VETEC

2013 - 2015

In that periods, I was a student and tried to find some part-time job in graphics field to improve my skills, attitude, and preparation for the future career.
